

Dear Parents/Carers

We are really pleased to be able to tell you that from the start of Term 6, on Wednesday 9 June, we will be able to offer hot school meals to the whole school again. The menu for this is attached to this email and as you can see, we are starting with a reduced menu.

The choices are also limited for the time being so only children with dietary needs can have the vegetarian option each day. Children will no longer need to tell the teacher which option they would like as the main option will be for all children unless they have specific dietary needs.

The meals will be served in takeaway containers and delivered to the classes for Year 4 – Year 6, while the children in Reception – Year 3 will be eating in the Hall in 2 sittings so that the year groups can be kept separate. All children will remain in their year group bubbles for the time being.

The meals are now open again to children who pay for their meals. Please pay via the School Money system. Meals cost £2.30 per day and must be paid in advance not in arrears.

Children who currently have credits for meals not taken during lockdown can now use these for their meals.

If you have any queries, please put them in writing via email or give the office a call.

May we also remind you that only healthy snacks, preferably only fruit, should be eaten at break time.

Many thanks for your continued support.

Kind Regards
The Park Primary.
