

# Music at The Park and Parkwall Federation Primary Schools

## Singing at our Harvest Festival

Singing at Clifton Cathedral.

Watching some live music at The Egg in Bath.

Singing in our Christmas Nativity performances.

Professional musicians come to school and perform live for us. This is Rockademy. Some children have band lessons with Rockademy and are learning to play a range of instruments to make a band.

- Year 4 have been learning to play the notes C, D, E, G, A using the glockenspiels. They started by practising the timing 4/4 by tapping the beat on their knees (just like they did during the Rock Stars Assembly). Next, they each tried playing the notes DCE along to the song Hoedown. Having mastered this, they created their own improvisations in groups – they were fantastic!
