

## Progress in Computing Term 5

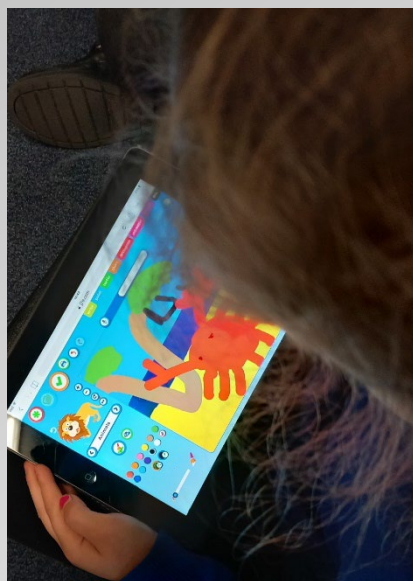

Pupils have been using media skills for different outcomes.

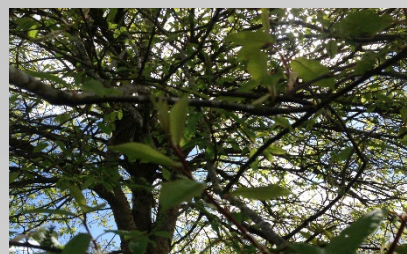

Children used iPads to take photos and create images.

Year1 recorded themselves reading their own books to hear how well they read!

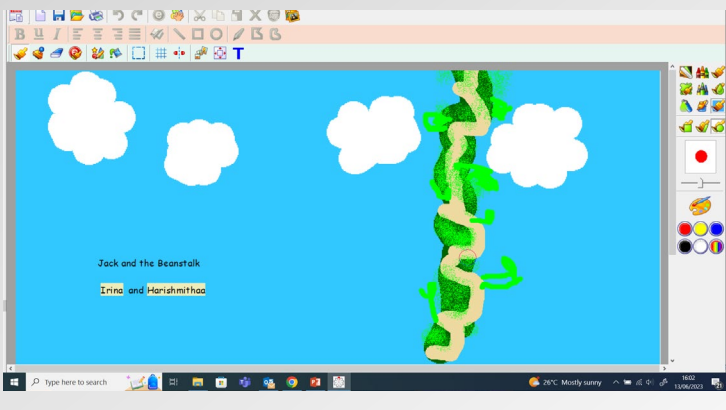

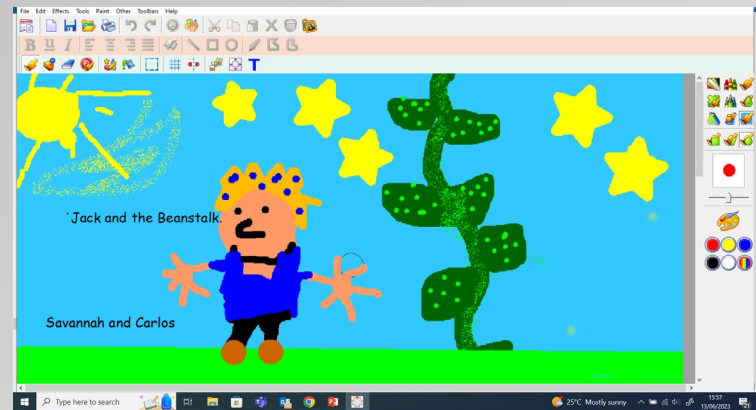

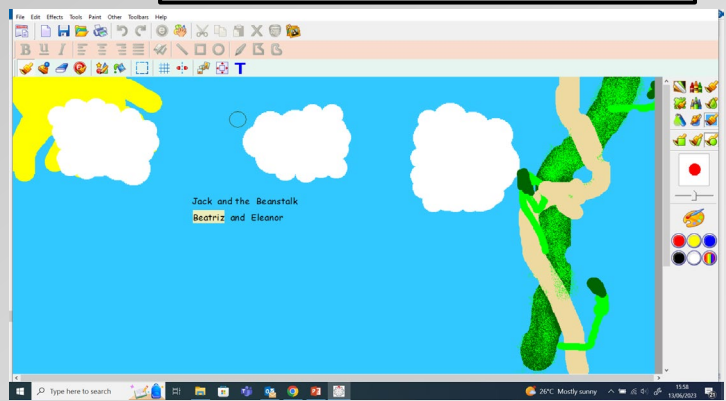

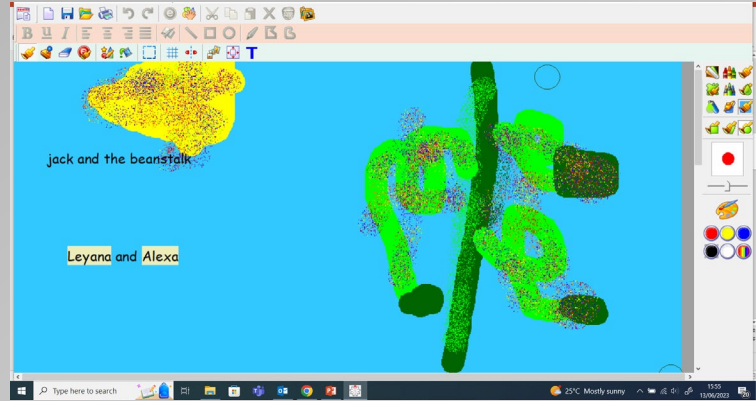

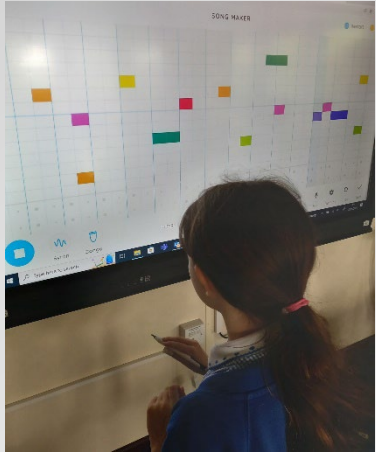

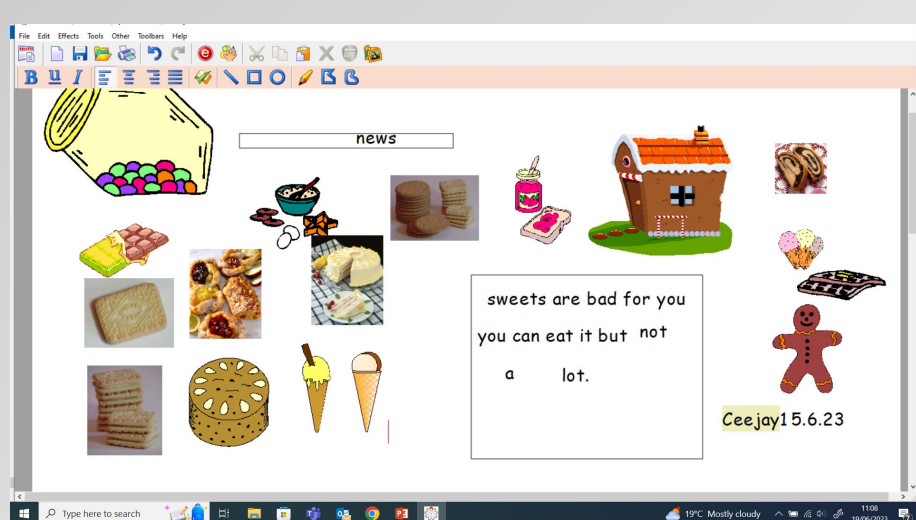

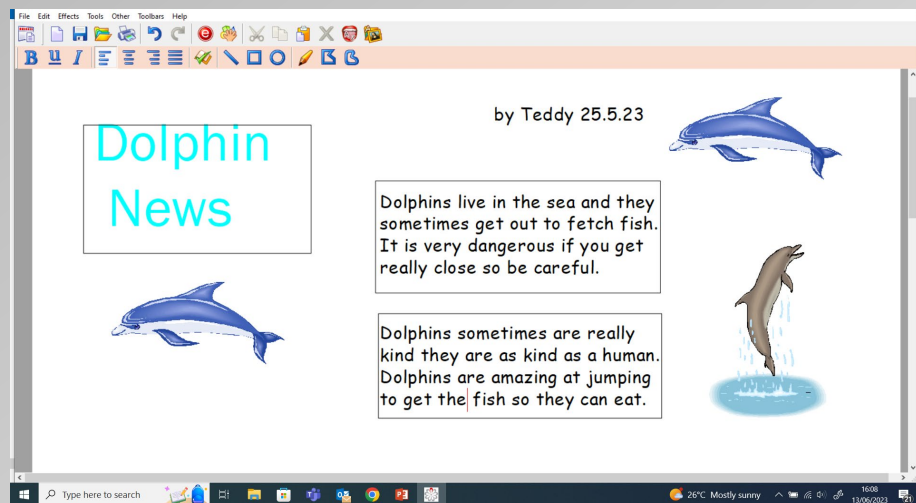

Children used Chrome Music Lab to compose a tune using three notes. They changed the tempo and tried to copy other compositions.

Year 2 created an animation and an image for a book cover.

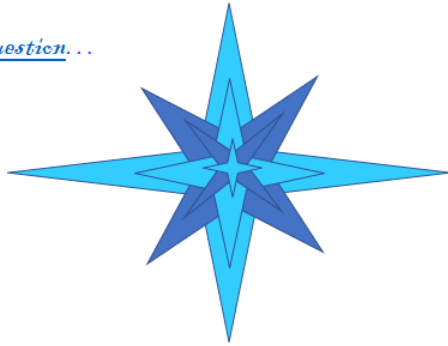

Year 3 created newspaper front covers in Textease;  
how to insert pictures, alter font size & colour and use a spellchecker.

Year4 created quizzes in PowerPoint.  
They learnt to insert hyperlinks to make their  
quizzes completely interactive.

Photo Story 3

Year 5 planned and created anti-bullying animations in Photo Story.

unknown crows are doing dark  
and gloomy ceremony

Not glides away

The criminals tried to  
trick him so they could  
catch him

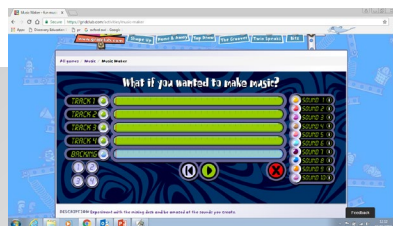

Y6 planned and recorded a radio advert. As they could not use visuals, they had to concentrate on the message and music.
