

Rules help us thrive!

The Rule of Law

What is the Rule of Law?

The rule of law means everyone follows rules to keep people safe, fair, and happy.

Why Do We Need Rules?

Rules help us:

- Stay safe
- Be fair
- Learn together
- Respect each other

Rules at School

Examples:

- Walking in corridors
- Listening to teachers
- Taking turns
- Being kind

Rules at Home

Examples:

- Bedtime routines
- Helping tidy up
- Speaking politely
- Looking after pets

Rules in the Community

Examples:

- Traffic lights
- Queueing
- Wearing seatbelts
- Respecting parks

Scenario 1

You see someone
being left out at
playtime.

What rule could
help?

Scenario 2

After dinner you get straight down from the table without saying anything and watch TV.

What rules could help?

Read story – The Playground Problem

We need 4 volunteers to help!

What is the message of this story?

What Happens Without Rules?

Without rules:

- People may get hurt
- Things can feel unfair
- Learning becomes harder
- Communities become unsafe

How Rules Help Us Thrive

Rules
help us:

- Feel
safe

- Make
friends

- Learn
well

- Work
together

- Enjoy
life

Be a Rule Hero!

You can help
by:

- Following rules

- Being respectful

- Speaking up for fairness

- Helping others

Reflection Time

- Think about one rule that helps you every day.
- Why is it important?
