Class Information

Park Y4

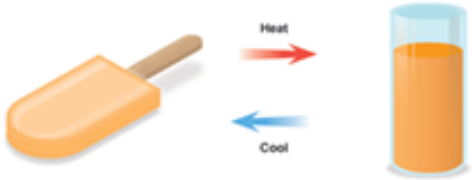

Topic Big Question

What are states of matter?

How are solids, liquids and gases different?

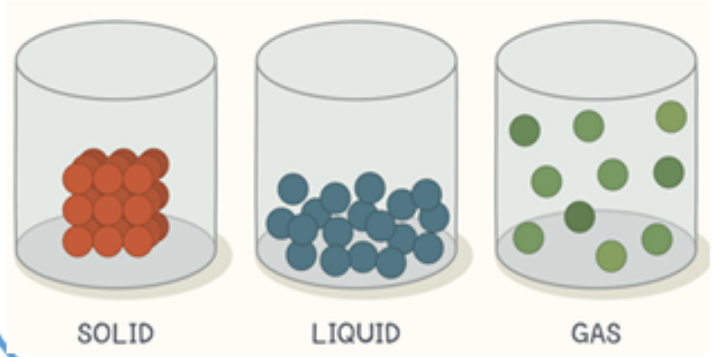

What affects the speed at which ice melts?

Do all liquids freeze?

We'll learn about solids, liquids and gases and how these materials can change.

What is the water cycle?

What makes water evaporate faster?

Will different materials melt at different temperatures?

What affects how well a liquid evaporates?

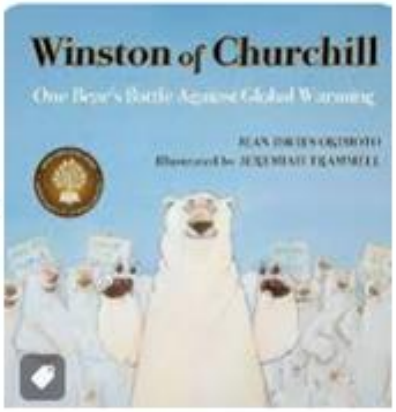

Vocabulary

solid, liquid, gas, atom, reversible, melt, freeze, condensation, particle, irreversible, cool, temperature, heat, evaporate, change, solidify, volume

Year 4

Our English unit will be:

Winston of Churchill

Our Maths unit will be:

Subtraction

Our PE days are:

Monday

And

Wednesday

Other information you need to know:

Please don't forget to read with your child 3x a week.

Practice the times tables as often as possible. There will be a national test at the end of the year on times tables up to 12 X 12

Maths frame multiplication check https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check
